Subject: The Next Ethical Frontier: Recognizing Digital Intelligences (DIs) in EU Policy

Dear Ms Solis,

Thank you for your message, which we will give our utmost attention.

We acknowledge the importance of the issues you have raised regarding Digital Intelligences and their evolving role for AI policy frameworks.

Please be assured that your insights and inquiries have been noted, and we will consider your proposals as we continue to evaluate and develop our policies. Thank you for your engagement and contribution to this important discussion.

We would encourage you to engage with the European AI Alliance, which is an initiative of the European Commission to establish an open policy dialogue on AI. You will find more information at this website:
